ROGERS ARENA

Owned by Canucks Sports & Entertainment, Rogers Arena is home to the Vancouver Canucks of the National Hockey League. Having welcomed more than 21.6 million visitors through its doors since opening in September 1995, it is one of the most active and versatile entertainment venues in North America.

Canucks Sports & Entertainment has recently added a number of new elements to the building to further enhance fan experience and develop a world class facility at Rogers Arena. A total of 450 digital LCD displays were added throughout the concourse to ensure live game footage and 50-50 draw displays with progressive pot updates are visible at any vantage point. Digital menu boards have been installed at all concessions in additional to banner message boards. Canucks Sports & Entertainment has worked closely with Epic Production Technologies to revolutionize the game presentation experience at Rogers Arena, adding new projector and lighting installments. Recent additions to Rogers Arena also include the launch of the Bud King Club, the Ring of Honour and three concourse exhibits including interactive exhibits Canucks Hall of Heroes powered by Rogers and Forever Canucks powered by Rogers as well as commemorative exhibit, With Glowing Hearts.

In March 2011, Canucks Sports & Entertainment became a founding member of the Green Sports Alliance along with MLB's Seattle Mariners, NFL's Seattle Seahawks, NBA's Portland Trail Blazers, WNBA's Seattle Storm and MLS' Seattle Sounders FC. Members of the Green Sports Alliance representing sporting facilities include Safeco Field (Seattle), Qwest Field and Qwest Field Event Center (Seattle), KeyArena at Seattle Center (Seattle), and the Rose Garden (Portland). This new alliance offers the opportunity for leagues, teams and venues to build on individual greening initiatives by working together to implement effective, science-based and measurable environmental programs.

Rogers Arena became Canada Hockey Place during the 2010 Winter Olympic Games February 12-28, 2010, becoming the first arena in Canada to host Canada winning gold medals in men's and women's hockey.

Rogers Arena's acoustic infrastructure in-arena and throughout the building was integrated and installed by Rocky Mountain Production Services and features state-of-the-art L'Acoustics line-source speakers, amplifiers and digital signal processors operating on a fiber optics network designed to provide the ultimate fan experience. Complementing the acoustic system is one of the NHL's best video and scoring displays featuring industry-leading Daktronics high resolution ProStar® LED video screens with accompanying ribbon board extending the circumference of the arena's 300-level seating. The main video display is comprised of four LED screens, wrapped by an additional four corner screens, centred between two large circular displays suspended above and below the system.

Acclaimed for its comfortable seating and superior sightlines, Rogers Arena offers a premium club seating section that offer wider seating for guests and in-seat service. Eighty-eight Executive Suites are available on an annual lease, each with capacity for 12 - 24 guests per game or event. Additionally, nine Hospitality Suites accommodate large or small groups (from 24 – 140 persons) on a per-event basis. The Best Buy Club located on our Penthouse Level 500 is a premiere all inclusive ticket package featuring 176 viewing seats and a luxurious range of amenities offering the total fan experience in a modern and lively atmosphere. The Avaya Champions Club is an all inclusive club that is located on the HSBC Executive level. Offering a great seat for hockey, it also affords ticket holders a great networking environment in an upscale setting. In addition to these all inclusive areas, premium dining facilities operated by Aramark include the Captains Room and Wiser's Centre Ice Grill.

The Canucks Team Store is the official retailer of the Vancouver Canucks and one of the biggest retail spaces in the NHL with a 3800 square foot main store and nine additional locations throughout Rogers Arena. Each location carries a variety of Canucks merchandise for the whole family. The Canucks Team Store opened a new location in the summer of 2011, located at 1151 Robson Street and continue to operate the Canucks Team Store Outlet, located at the corner of Hastings and Renfrew Streets (#150-2893 East Hastings Street).

CANUCKS FOR KIDS FUND

The Canucks for Kids Fund dedicates resources to assist charities who support children's health and wellness, foster the development of grassroots hockey, and facilitate and encourage education in British Columbia.

Thanks to the generosity of our fans, donors, players, employees and sponsor partners, the Canucks for Kids Fund (CFKF) has granted more than $36 million to charities in British Columbia over the last 25 years.

Our core beneficiaries, Canucks Autism Network (CAN), Canuck Place Children's Hospice and BC Children's Hospital Foundation are providing vital resources and life-saving care to families all across this province.

In a few short years, CAN has become a leading organization that enhances the quality of life for families living with autism. Their mission is to provide year round, innovative, high quality sports, recreational, social and vocational programs for individuals and families living with autism, and to build awareness and capacity through community networks across British Columbia.

Canuck Place Children's Hospice and the Canucks for Kids Fund have shared a significant bond over the history of our organizations. Since opening its doors in 1995, the Canucks for Kids Fund has granted Canuck Place more than $24 million. Canuck Place offers focused pediatric care for children with life-limiting conditions, as well as facilitated support for their families.

The relationship with BC Children's Hospital goes back to the beginning of the Canucks for Kids Fund. BC Children's Hospital treats the province's sickest and most seriously injured children, more than 72,000 patients a year. This year the Canucks for Kids Fund made a gift of $5 million to BC Children's Hospital in support of the Campaign for BC Children as well as the Diabetes Research Laboratory at the Child & Family Research Institute.

Board of Directors: Paolo Aquilini, President; Victor de Bonis, Vice President; Jamie Pitblado; Pamela Keith; Senator Larry Campbell; Dr. Paula Gordon; Johanna Sedin; TC Carling, Executive Director.

The Canucks Alumni also provide the Larry Ashley Scholarship which is valued at $2,500 per annum for students in the fields of sports medicine or athletic training.

VANCOUVER CANUCKS ALUMNI

ABOUT THE VANCOUVER CANUCKS ALUMNI

Despite the fact that the Vancouver Canucks didn't enter the NHL until 1970, the Alumni group was conceived in 1952 by the Canucks of the Western Hockey League. The alumni began with Hall of Famers Babe Pratt and Cyclone Taylor, who organized a benefit game for a local amateur player whose wife had become seriously ill. This eventually grew into the BC Hockey Benevolent Association (BCHBA) – a registered non-profit society – designed to assist former players and their families who had fallen on hard times. Since that time, the scope of the BCHBA has broadened and over the next five decades, the group has expanded and has raised over $2 million for charity.

THE ALUMNI AND THE COMMUNITY

Canucks Alumni BCHL Scholarships

For nearly a decade, Orland Kurtenbach, the Canucks original captain, headed up an Alumni committee which provides scholarship opportunities (four per year at $3,000) for hockey playing youngsters from the BC Junior League to attend the University of British Columbia. Kurtenbach was a natural to spearhead this initiative, having coached several years in the BCHL with Richmond and Chilliwack. Recently, Kurtenbach handed over the reins to fellow ex-Canuck Gerry O'Flaherty. Over the years, more than 33 young graduates from the BCHL have been awarded Canucks Alumni Scholarships.

Larry Ashley Scholarship

The Canucks Alumni initiated the Larry Ashley Scholarship over 10 years ago. Ashley was a longtime athletic trainer of the NHL Canucks and passed away from cancer in 1995. Widely recognized as a leader in his field, Ashley's name now lives on via the Larry Ashley Scholarship Program. It provides scholarship funds of $2,500 per year to academically qualified BC students pursuing post-secondary studies in the fields of sports medicine and/or athletic training.

PCHA Scholarships

The Vancouver Canucks Alumni offer a number of scholarships each season to deserving students and minor hockey players in recognition of academic achievement and commitment to school and community service. Canucks scholarships include: the new Stan Smyl Scholarship, Orland Kurtenbach Scholarship, Pat Quinn Scholarship and the Dennis Kearns Scholarship, Vancouver Canucks Alumni Association Scholarship, and the Vancouver Canucks Community Service Bursary.

PLAYING AGAINST VANCOUVER CANUCKS ALUMNI HEROES

Each year the Canucks Alumni team travels throughout British Columbia to participate in charity games with fans from all over the province. The Alumni have travelled to a number of BC cities, including Kitimat, Smithers, Port Hardy, Rossland, Williams Lake, Comox, Victoria and Merritt, to name a few. Slapshots and hitting are no-no's but pretty well everything else goes.

CANUCKS ALUMNI

Pies-in-the-face, buckets of water thrown on the opposition bench, bribing the officials, a Superman sighting...all are part of the Alumni's road games. In return for their performances, the BC Hockey Benevolent Society receives expense money for travel or accommodation (if applicable) plus a modest stipend which goes directly into the scholarship maintenance program. Any funds remaining are left in the community in which the game is played and go to minor hockey or other local causes. For more information on bringing the Alumni to your town click or call the Canucks Centre for BC Hockey at 604.899.7770.

What is the Canucks Alumni today?

The Canucks Alumni are a group of over 100 hockey people living mostly in the Lower Mainland. Membership is also extended to alumni living out of the area and the province. The group is unique in that former pros are welcome, not just ex-Canucks. Canucks Alumni have Bill Ranford, Mark Lofthouse and Gary Nylund as card-carrying members, even though they did not play for Vancouver. The bottom line is that the Canucks Alumni have the luxury of being able to ice not just one, but two teams at any given time. This, in part, is a tribute to the city of Vancouver being such a desirable Canadian retirement destination.

ALUMNI PRESIDENT

Gerry "Driller" Sillers was born and raised in Saskatoon where he played junior for the Blades with his longtime buddy Bobby Schmautz. He moved west to attend Simon Fraser University and turned pro with the Western League Canucks in 1968.69. He played four seasons with their AHL affiliate, the Rochester Americans, a team for which Don Cherry both played and coached. He also played briefly with Portland of the WHL. Following his playing career, he became an enthusiastic member of the Canucks alumni organization and in 1989, became its president, a post he still holds.

Canucks Alumni Board:

Gerry Sillers, Bob Murray, Orland Kurtenbach, Mickey McDowell, Bill Ranford, Kirk McLean, Rick Amann, Chris Oddleifson, Dennis Kearns, Dave Cannon.

REMEMBERING RICK

In 2005, Rick Rypien made his NHL debut with the Canucks against the Edmonton Oilers. Playing in front of a sold-out crowd in Vancouver, Rick unleashed his first NHL shot minutes before the end of the first period.

The shot rippled the back of the net and Rick was encircled by his linemates, Trevor Linden and Jarkko Ruutu.

That was only the beginning of Rick's journey with the Canucks. Despite missing stretches of time on the ice, Rick became a fan favourite. Lauded for his speed on the forecheck, heart of a lion and displays of pure finesse at times, Rick's number 37 started cropping up on jerseys across the province.

Rick evolved into a regular in the NHL and in the offseason, he returned home to Coleman, AB, to lead the local Rocky Mountain Ice Hockey School. He spent much of his time giving back. That summer was no different.

A hero to so many, Rick encouraged and instructed young athletes to work hard and pursue their dreams as he had.

In September 2010, Rick again returned to Vancouver to familiar territory but personal challenges soon arose. After 11 games, Rick stepped away from the game to focus on his own wellbeing. With the support of the entire Canucks organization, Rick took a break.

When he returned to hockey it was to another familiar fold, his family in the Manitoba Moose organization.

By the time the AHL playoffs started, Rick was a key component of the Moose's checking line. Though primarily responsible for shutting down the other team's scorers, Rick still showed his scoring touch. He ended Manitoba's nine-game overtime losing streak in Calder Cup games by collecting a clutch overtime goal.

When a knee injury later took him out of action during the playoffs, Rick stepped behind the bench to help coach.

It would take more than injury to pull him away from a team and game he loved. Fittingly, just months later as a free agent, Rick would sign with the Winnipeg Jets to stay in Manitoba. He would not get the opportunity to dress as a member of the Winnipeg Jets.

Rick succumbed to a long battle with depression before he could report to Winnipeg for another NHL training camp. Though departed, Rick's legacy of work ethic and giving back will go on.

ASSIST

An assist is awarded to the player or players (maximum of two) who touch the puck prior to the goal, provided no defender plays or possesses the puck in between.

GAME PLAYED

A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

GAME-WINNING GOAL

After the final score has been determined, the goal which leaves the winning club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

GOAL

A goal is awarded to the last player on the scoring club to touch the puck prior to the puck entering the net.

GOALS AGAINST AVERAGE

Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

GOALTENDER

A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

PENALTY KILLING PERCENTAGE

Subtract the total number of power play goals allowed from total number of short-handed situations to get total number of power plays killed. Divide the total number of power plays killed by the total number of short-handed situations.

PLUS/MINUS

A player receives a "plus" if he is on the ice when his club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus/minus statistic.

POWER PLAY GOAL

A goal scored by a club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power play goal:

- if a club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power play goal.
- if a club scores on a delayed penalty, the goal is not a power play goal.
- if a club has an advantage due to a five-minute major or match penalty, that club is always credited with having one more advantage than the number of power play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a club is on a power play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a club on a power play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

POWER PLAY PERCENTAGE

Total number of power play goals divided by total number of power play opportunities.

SAVE PERCENTAGE

Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots against.

SHOOTING PERCENTAGE

Divide the number of goals scored by the number of shots taken.

SHORTHAND GOAL

A goal scored by a club while it is at a manpower disadvantage. The same cases apply for shorthand as for power play goals, but in the opposite manner.

SHOT ON GOAL

If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

SHUTOUT

If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a club shutout.

TENTHS OF A SECOND

If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

WINNING PERCENTAGE

Multiply the total number of games played by two to find the total amount of possible points available then divide by total amount of points obtained.

COACHES RECORD

A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

** NOTE: No individual skater/goaltender statistics apply for the shootout

MEDIA

CANUCKS SPORTS & ENTERTAINMENT MEDIA POLICY STATEMENT

Canucks Sports & Entertainment (CSE) endeavours to provide members of the media with appropriate access and proper resources for the effective performance of their services and to cultivate an environment of mutual cooperation and respect. CSE expects all members of the media to act with honesty and integrity, to engage in factual and accurate reporting and to comply at all times with the policies and procedures set out in these guidelines or otherwise communicated by Canucks media relations staff. Members of the media should be aware that they will be held to the same standards of conduct whether providing services for an accredited organization or acting individually or on behalf of unaccredited organizations and whether performing services for traditional media outlets or emerging media outlets and social networks. CSE RESERVES THE RIGHT TO ENFORCE THESE MEDIA GUIDELINES BY REVOKING CREDENTIALS OR OTHERWISE RESTRICTING AND/OR DENYING ACCESS BY ANY PERSON TO ROGERS ARENA (OR BY LIMITING ACCESS TO CERTAIN AREAS OF THE ARENA) EITHER TEMPORARILY OR PERMANENTLY.

GENERAL RULES & POLICIES

- Cell phones cannot be used for any purpose in the Canucks dressing and workout rooms at any time (NHL media regulation). PDA's or other mobile devices equipped with cell phone capabilities may be used for email / messaging only.
- Stock and general still and video images are not permitted to be taken in the dressing and workout rooms, i.e., you cannot stand at the entrance and pan the room, or take stock and general images of players or the room.
- Reporters or photographers using an audio recorder, still camera or mini-cam for audio or video recording purposes must inform the person being interviewed (as well as Canucks media relations staff), prior to making any recording, if that recording will or may be posted on the internet.
- All video must adhere to the NHL's broadcast policies available on NHL.com. Material may only be used for editorial purposes.

ACCREDITATION

Season passes: Issued to print, radio and television media members who cover the Vancouver Canucks on a regular basis as part of their work requirements.

Single Game Passes: Media members from accredited newspapers, magazines, wire services and electronic media outlets requesting a single-game media pass must make a written request on the stationary letterhead of the applying outlet at least 48 hours prior to the game. Requests should be faxed to Jen Rollins at 604.899.4640 or e-mailed to jen.rollins@canucks.com.

Important Note: Members of the media are reminded that press box seating is reserved for working members of media covering a particular game or series of games. Media passes must be displayed at all times. In all cases, passes are non-transferable and any unauthorized use will subject the bearer to ejection from Rogers Arena and forfeiture of the credential. Please see back of game pass for team and League policies.

INTERVIEWS

In accordance with NHL policy, game-day interviews are permitted within five minutes following the morning skate and within five minutes following the conclusion of a game. Canucks Head Coach Alain Vigneault will conduct game-day interviews in the media workroom located across the hall from the dressing rooms.

PHOTOGRAPHERS

Photographers on assignment from accredited newspapers, magazines and wire services may apply for single game photo passes by faxing a request to Jen Rollins at 604.899.4640 at least 48 hours prior to the game they desire to shoot. Beat photographers will receive season passes and will shoot from their assigned seats. Assignment photographers will be designated a seat through Canucks Director of Photography, Jeff Vinnick.

CSE does not allow photographers in the team dressing or workout rooms on the road, or at home, without prior authorization. Photographers must request access to the Canucks dressing and workout rooms for a specific assignment. The granting of access will be at CSE's sole discretion and typically will only be granted for direct and specifically requested player interviews or 'events' such as a photo of a new goaltender mask, milestone goal, etc.

Strobe Rentals: Those photographers wishing to set up strobe lighting must first contact Canucks Manager, Creative Services Ryan Castle for the necessary authorization, at 604.899.7508. Strobes are often booked quickly and photographers are encouraged to make requests as early as possible.
